

The Good Side of Sin

Psalm 32:1-11

Pastor Shawn Thornton

Part 4 of a series entitled, "Picking Up The Pieces"

The Principle:

The only good thing about your sin is God's forgiveness.

(So confess it!)

#1: Release You From Your Guilt (1-2)

- Rebellion against God
- Waywardness from God
- Disrespect for God

#2: Relieve You From Your Misery (3-5)

- Hiding what you cannot hide: sin
- Fighting what you cannot fight: conviction

#3: Restore You To Your Hope (6-7)

- God is your higher ground
- God is your hiding place

#4: Restart You On Your Journey (8-9)

- Choice #1: Walk with Him
- Choice #2: Run from Him

#5: Return You To Your Joy (10-11)

- Joy comes from being cleansed by God
- Joy comes from living clean for God

So now what...

- Confess your sin
- Accept God's forgiveness
